NARRATIVE:

Sanders, a document gang member, has an extensive adult criminal history that began at the age of 20. His convictions include possession of dangerous weapons, resisting an officer, multiple robberies, robbery with a firearm, failure to appear, driving with a suspended license, DUI, violation of parole, keeping a place for the sale of narcotic controlled substances, theft of utility services, possession of concentrated amounts of cannabis, and disturbing the peace. He has served multiple state prison terms the longest a 7 year term for robbery with a firearm. Sanders was released from state prison to the supervision of the Los Angeles County Probation Department on March 31, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Sanders qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of keeping a place for the sale of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
